## Webinar (Zoom) Ethical Innovation for Global Health: Pandemic, Democracy and Ethics in Research December 4 (Mon), 6 (Wed), 2023

(Audience can access 30 min before starting.)

Korea&Japan 20:30-23:00/Taiwan: 19:30-22:00

CET: 12:30-15:00pm/South Africa: 13:30-16:00pm

Brazil 8:30-11:00 (Please confirm the time of your area)

This book, published Nov 14, 2023, captures the recent evolution of ethics in research involving humans with the experience of COVID-19 pandemic and provides future directions to achieve alternative drug development strategies for equitable global health.

Authors of each chapter will talk about their chapter and/or “beyond” the contents described in this book.

The contents with abstracts of chapters:
